Alan Chell, achell@live.com (h)(250)837-2965

The focus of our annual tournament is to provide friendly competition and lots of social activity with beer gardens and a Saturday night dance. This year we have expanded our tournament to allow for additional teams for a 'Seven (7) A Side Tournament' and a "Over Age 35 Masters Tournament". However as the "7 & 35" Tournaments are new, play would depend on the number of teams entered. We could run these mini tournaments with as few as 4 teams in each.

Please register early. We normally receive 40-45 entries for the regular tournament and space is limited

2010 format:

- Teams play qualifying games Friday night and Saturday and then go to either playoffs or consolation for Sunday. The last few years, we have had teams sign up for a consolation game and then not show. It will be optional to play a consolation game on Sunday but if you do sign up, the expectation is to play and we will not be collecting a performance bond up front at this time.

- Payment in full must be received by June 11th. Full refunds will be given for cancellations prior to this date and no refunds for cancellations after this date.
