

## 2009 REVELSTOKE YOUTH SOCCER PICTURES

The time has arrived for our team and player pictures. We apologize if the dates and times are not convenient for everyone, but with over 320 players, it is impossible to schedule times and dates that won't conflict with someone's schedule. If the weather is raining, your photo night will be rescheduled for the same time the following week.

We will try to take the pictures as quickly as possible and ask that referees and coaches stop play once the photographer is ready to begin. It will speed things up if the coaches assist where needed and help line up the players for their group shot. Our photographer this year will be Sarah Mickel, and we will have a few parent volunteers helping her out with positioning the players and recording names, etc.

On the back of this notice is the picture schedule. Please remember that if a player misses their team's picture night, they will not be in the team photo. There will be a make-up picture day on Saturday, May 30<sup>th</sup> at 4:00 p.m. at Centennial Park.

Pictures will be handed out when they are ready. It all depends on when the photographer can get them processed and packaged for delivery. A reminder to anyone that has not paid their \$25.00 volunteer fee per family - will not receive their pictures until payment is made in full. Thank you.

**THANKS AND DON'T FORGET TO SMILE FOR THE CAMERA!!!!**
