

## 2022 RYSA SOCCER PHOTO SCHEDULE

It's that time of year again and we are planning dates for your individual and team photos to add to your memory books.

Please see the schedule below. If your child is going to miss their scheduled date please note that without advance notice there won't be an option to have them added to the team photo. Please reach out and schedule another time to meet up with the photographer before June 1<sup>st</sup>.

Photos will be taken between May 19<sup>th</sup> and June 1<sup>st</sup>. Prints will be packaged and distributed back to your coaches the last week of the regular season. If you require additional prints please contact the photographer and make arrangements separately.

We are going to attempt to shoot all U8/10/14 teams within the first half hour to avoid interrupting game play. Please have your child arrive a few minutes early on their scheduled date so we can start right away. Remember your jerseys! Our sponsors love having team photos and wearing the jerseys they have generously sponsored is important!

Cancellations due to bad weather will only happen in extreme rain / thunder storms. Light rain will not require rescheduling.
